

(Second circular)

International conference on “Advances in material engineering”

1st - 2nd December, 2015.

**Organized by: Faculty of textile engineering,
Technical University of Liberec, Czech Republic.**

Prof. Sayed Ibrahim Memorial Conference

Abstracts are invited for the international seminar on “Advances in material engineering” and more specifically on fibrous material engineering. The two days event will be organized by Faculty of Textile Engineering and focus on engineering aspects of polymers, fibers, fibrous structures, composites etc.

Deadlines:

One page abstract submission: 30th October 2015.
Full paper submission: 15th November 2015.

Organizers

Prof. Jiri Militky, PhD, EURING - Chairman
Dr. Jana Drasarova- Dean of faculty
Dr. Pavla Tesinova - Vice Dean for international affairs
