

TITLE OF THE THESIS

Author

SUMMARY OF THE THESIS

Title of the thesis:

Author:

Field of study: Textile Technics × Materials Engineerig

Mode of study: full time × part time

Department :

Supervisor:

Committee for defense of the dissertation:

Chairman:

Vice-chairman:

Members of the committee: *Doc. Ing. Jan Novák, Ph.D.* (oponent)

The dissertation is available at the Dean's Office FT TUL.

Liberec 2014

Abstract

Abstract in English.

Keywords:

Anotace

Abstract in Czech language.

Klíčová slova:

Keywords in Czech language.

Summary

1	<i>Introduction</i>	1
2	<i>Purpose and the aim of the thesis</i>	2
3	<i>Overview of the current state of the problem</i>	3
4	<i>Methods used, studied material</i>	4
5	<i>Summary of the results achieved</i>	5
6	<i>Evaluation of results and new finding</i>	6
7	<i>References</i>	7
8	<i>List of papers published by the author</i>	8
8.1	Publications in journals	8
8.2	Contribution in conference proceeding	8
8.3	Citations	8
	<i>Curriculum Vitae</i>	9
	<i>Brief description of the current expertise, research and scientific activities</i>	10
	<i>Record of the state doctoral exam</i>	12
	<i>Reccomedation of the supervisor</i>	13
	<i>Opponents' reviews</i>	14

1 Introduction

Brief Introduction the issue studied and motivation for work.

2 Purpose and the aim of the thesis

3 Overview of the current state of the problem

Overview of the current state of the problem, which is the subject of the dissertation with reference to the sources used.

4 Used methods, study material

Chapters "used methods" and "studying materials" are to be included only if they are relevant.

5 Summary of the results achieved

The summary of the results and their application mainly in publicly reviewed publications and projects.

6 Evaluation of results and new findings

The evaluation of the results with regard to the branch of science or practice, possibilities of implementation of the procedures and conclusions drawn from the dissertation.

7 References

The list of references is processed in accordance with a dissertation according to ČSN ISO 690.

8 List of papers published by the author

List of papers published by the author related to the theme of the dissertation studied the issue and any quotations and responses in accordance with ČSN ISO 690

8.1 Publications in journals

8.2 Contribution in conference proceeding

8.3 Quotation

Eventual citation of the leading citation databases (Web of Science, Scopus).

Curriculum Vitae

A brief curriculum vitae containing personal data, educational attainment, skills and knowledge.

Brief description of the current expertise, research and scientific activities

Brief description of the current professional research and scientific activities including mainly information on doctoral studies, teaching activities, research and other projects the student took part in.

Doctoral studies

Studies	Textile Engineering Textile Technics and Materials Engineering full time
Exams	Course title, date of the exam Course title, date of the exam Course title, date of the exam Course title, date of the exam
SDE	State Doctoral Exam completed on DD.MM.RRRR with the overall result passed.

Teaching Activities

Teaching	Course title 1, time of instruction Course title 2, time of instruction Course title 3, time of instruction
Leading Bachelors/ Master students	Name of student, title of thesis, year defence

Research projects Project title, way of involvement (project leader, project participant), year.

Other projects Project title, way of involvement (project leader, project participant), year.

Record of the state doctoral exam

Include the copy of the state exam

Reccomedation of the supervisor

Reviews of the opponents
