Announcement of selection procedure ERASMUS+ in EU and Türkiye for academic year 2025/2026

FT announces selection procedure for

student's mobilities (study, training and absolvent's internships) and

staff mobilities (teaching, training).

STUDENTS deadline 10. 1. 2025 with application PDF into STAG.

Staff apply to the Head of Department in mass data collection.

Usual study mobility is 5 months (1 semester), training 2 months and more, short-term PhD training 5-10 days, staff teaching 3 days, staff training 5 days. Study mobility starts according to host university academic calendar; all other types can start during academic year. Selection and following applications for mobility have got periodical deadlines.
